Los Alamos High School Skateboard and/or Other Similar Modes of Transportation Violation Form

SKATEBOARDS AND OTHER SIMILAR MODES OF TRANSPORTATION (including but not limited to roller blades, line skates, scooters, roller skating shoes, rip-sticks, heelies, and/or bicycle or unicycle and other similar modes of transportation);

Skateboards and other similar modes of transportation may only be used as a mode of transportation to and from school. They must be carried onto campus and placed in a locker during the school day. They are not to be carried in or on backpacks.

If a student chooses to use his or her skateboard or other mode of transportation on campus, s/he will be given a warning, which will be documented in the main office. The mode of transportation will be taken for the day and returned to the student at the end of the school day; that warning consequence will be documented in the administrative office.

After a warning, the following disciplinary actions will be taken for violations of this policy.

If a student chooses to use a skateboard at any time on the LAHS campus, the following will occur:

1st Offense: Skateboard and/or other similar modes of transportation will be taken to the main office. The student may reclaim the transportation mode from the administration at the end of five (5) school days after 3:10.

2nd Offense: Skateboard and/or other similar modes of transportation will be taken to the main office. The parent/guardian of the student may reclaim the transportation mode from the administration after thirty (30) calendar days.

3rd Offense: The parent/guardian of the student may reclaim the modes of transportation from the main office at the end of the current semester.

LAHS is not responsible for skateboards that are lost, stolen, or damaged while on school property. Students and parents are encouraged to file a report with the Los Alamos Police Department.
