Mountain Families,

We will continue to offer before school, supervised activities for students whose families have a need for care from **7:30 am to 8:00 am**. All students attending the program must have a completed application. Through this program, we can provide consistent, safe academically enriching time for these children. If you are interested in having your child, or children participate in this program please fill out the attached form. There is a suggested donation of \$20.00 a month to purchase supplies for activities and meet other needs for this program.

The program will begin on Monday, August 22, 2016. The children should arrive at 7:30 in order to ensure the children have enough time to participate in the activity. It is disruptive if children do not come in until 7:50 am. Early care will **not** be available on days that school is delayed or canceled due to weather.

Sincerely,

Jennifer Guy
