

Becoming a Love and Logic Parent Series

Raise children who are self-confident, motivated, and ready for the real world with this win-win approach to parenting. Parents with children of all ages, from toddlers to teens, will learn techniques to help your child:

- Make wise decisions
- Stop bickering and fighting with siblings
- Listen the first time they are asked
- Become a problem solver and learn self accountability
- Polish your communication skills to help you discuss important issues with your teen, including risk-taking behaviors such as use of alcohol, tobacco, drugs, and sexual activity (teen class).
