PRESS RELEASE

For Immediate Release

Gifted and Talented Education Advisory Committee

The GATE Advisory Committee for Los Alamos Public Schools has scheduled two upcoming meetings for this year. The purpose of the GATE Advisory Committee is to annually review the goals and priorities of the District gifted education program, including the process for identification, evaluation, placement and service delivery and to demonstrate support for the gifted program.

Interested members of the public are welcome to attend the meetings. For attendees who are not committee members, a public comment option will be provided. Listed below are the meeting dates, locations and topics to be covered.

Monday, Feb. 12, 4:00-6:00 p.m. - Aspen Elementary Library
(Review Identification Process, Presentation by diagnostician on the evaluation instruments used, Review of elementary programs)

Thursday, March 8, 4:00-6:00 p.m. - Los Alamos Middle School Library
(Review of secondary programs, Review Survey Results and Next Steps)
