PRESS RELEASE

For Immediate Release

Save the Date - Kindergarten Round Up

This year's Kindergarten Round Up is scheduled for Wednesday, April 4, 2018, for all Los Alamos Elementary Schools, so be sure to save the date.

Children who turn five before September 1, 2018, are eligible to be enrolled in kindergarten for the 2018-2019 school year. Kindergarten Round Up is an important step in the pre-registration process, and gives parents and children an idea of what to expect for kindergarten.

Parents and students will get to meet kindergarten teachers, the principal, school nurse, school counselor, and other key school personnel. The kindergartners-to-be will visit a kindergarten classroom and become familiar with the learning environment, including books and hands on materials.

Parents are encouraged to call the school they are zoned for to ask questions regarding Kindergarten Round Up. [Click here](#) for more information on documentation required for new student enrollment.

Help spread the word to other kindergarten parents about this opportunity to get to know your future school. The first day of school is August 16, 2018.

Aspen: 663-2275

Barranca Mesa: 663-2730

Chamisa: 663-2470

Mountain: 663-2325

Piñon: 663-2680
