

December 2018

Los Alamos School District

National Cocoa Day!

LAHS and LAMS students can celebrate National Cocoa Day on December 13th and anytime. You can purchase cocoa before school or during lunch! When the weather is cold, come warm your insides.

HOT Meal Helper

We have students in need at every school site. If you would like to donate one hot meal or several, our staff can direct your donation to help those in need, any day. The need exists year round.

No turkeys here, but Chartwells did serve 2,400 meals at our special celebrations. We thank all of the school staff and parents that volunteered to serve. A very special thank you to Del Norte Credit Union, for their generosity to feed the masses.

CHARTWELLS CATERING

Ugly Sweater?

Plan ahead for ugly sweater day, December 21st. Be careful any sweater may be added to an unexpected competition.

www.target.com

As the holidays make schedules a breaking point, let the catering arm of Chartwells be your own personal chef. Do you need a fancy dessert for a function or a full menu for 4 or 400, request a brochure today from Food Services Director.
