LAPS Kindergarten Round-Up April 10

It's almost time to round up the kids and get ready for school. All Los Alamos Elementary Schools will host Kindergarten Round-Up on Wednesday, April 10.

Children who will turn five by September 1, 2019 are eligible to enroll in kindergarten for the 2019-2020 school year, and are invited to attend Kindergarten Round-Up with their parents. This is the first step in

the pre-registration process, and gives families an idea of what to expect for kindergarten.

At the Round-Up, prospective students and parents will get to meet kindergarten teachers, principals, school nurses, school counselors and other key school personnel. The future kindergartners will get to visit a kindergarten classroom and explore what its all about.

Parents are encouraged to call the school they are zoned for to ask questions regarding Kindergarten Round-Up. Go to <http://laschools.net/home/registration/> for more information about kindergarten enrollment and to check out the school boundary maps.
