

Los Alamos Middle School

Student Agenda / Code of Conduct Review

I, _____, will read and understand
(Student Name, Print)

the LAMS Student Agenda and Code of Conduct prior to the first day of school August 18, 2016. I will understand the main school rules here at LAMS are to **“Be Safe, Be Responsible, and Be Respectful”**. I will approach staff, administration or the counselors if I have any additional questions about behavioral expectations.

I understand that my behavior and choices may affect my participation in school activities and field trips. This includes: sports, dances, club trips, music trips, field trips, or other special team or school activities. Additionally, rules also apply to any school property that may be in my care during the school year, including library / textbooks and school technology.

LAMS will use interventions such as Discipline reports, parent calls, parent conferences, lunch detention and In-School Suspension (ISS) in attempts to improve behavior which supports a safer campus and a more enjoyable year. The administration and/or counselors may schedule student behavior hearings / meetings if it is necessary to address any concerns with my behavior.

It is the expectation and goal that this school year will be a safe and enjoyable academic year for everyone and my behavior and choices will support this goal.
