

What has the LAPS Foundation done at your school recently?

Los Alamos Public Schools
FOUNDATION

LAHS

- Provided math software for interactive learning
- Paid to send an art teacher to a national conference in Spring, 2018
- Sent one of the library staff members to a conference in Winter, 2017
- Funded the professional development task force for more impactful staff meetings
- Paid for a computer program to more easily conduct quizzes and tests
- Purchased 75 copies of *A Thousand Splendid Suns* and *Freakonomics* for a literature teacher
- Paid to send a language teacher to an AP Spanish seminar

...and much more!
