The duration of the 2019-2020 calendar school years only, will consist of an additional (2) Professional Development Days. These Professional Development Days will be paid in addition to the certified employees contract rate. The rate will be commensurate to the employee's daily rate they currently receive for the 2019-2020 contract year. These Professional Development Days will be scheduled at the District's request.

2. All certified employees who contract to work extra days at their regular assignment will be compensated at their daily contract rate, equal to 1/186 of their normal contract.
3. The following unpaid holidays and extended unpaid breaks shall be observed: a two-week winter break, a one-week spring break, and all LANL holidays.
4. Parent teacher conferences and minimal contact days may be scheduled annually within the 180 instructional days.

B. Work Day

1. The full-time certified employee's-normal workday shall be a continuous 7-3/4 hours including lunch. The parties recognize that the certified employee's professional responsibilities, including preparation, parent conferences, student evaluation, staff development and staff meetings may necessitate work beyond the normal workday. The parties shall work to resolve any allegations that these professional responsibilities are either not being performed by a certified employee or are being excessively required by an administrator.
2. Certified employees shall not normally be required to notify the principal of their arrival or departure from the school. Certified employees are expected to be on site during prep periods. However, certified employees who leave the site because of unusual circumstances during a prep period will be expected to notify the office through a process to be determined at each site.

Except in cases of emergency, as defined by the principal, certified employees shall receive a minimum of 24 hours notice prior to the meeting. When a meeting is called with less than 5 days notice, a certified employee with a pre-existing commitment will not be required to take leave for missing the meeting. These additional assignments will be posted internally in accordance with District practice. Certified employees who are interested in the posted additional assignments are responsible for notifying the site supervisor.
12. Part-time certified employees' workday responsibilities shall be proportional to their contract, to be determined with their site administrator.

7. Any SLB benefits will be offset by any disability, income protection insurance, or litigation benefits the employee receives for the same illness or injury for which the employee receives SLB benefits. The offset shall be dollar for dollar. Any income the employee receives from other sources that are related to the disability shall be subtracted from the employee's SLB benefit. F. Leave Without Pay

1. A certified employee may request leave without pay after three consecutive years of a minimum of half-time service to the District. The leave shall be for a maximum of one year; however, the Board may permit a second year under the provisions that applied for the first year. After returning from a leave without pay, an employee must have completed three consecutive years of employment before he/she may request any additional leave without pay.
2. A leave without pay may be requested for the following reasons:
 - a. advanced study (beyond that addressed under sabbatical leave)
 - b. to accompany a spouse on a temporary job assignment
 - c. military or volunteer service
 - d. parenting
 - e. serving in an elected office
3. A one-time leave without pay for a whole school year will be granted for personal reasons after an employee has completed twelve years in the District. A written request for the following school year must be received in the District Office prior to October 1. If the request is received between October 1 and February 1 the leave will be granted contingent upon the District's ability to secure a qualified replacement.
4. A leave without pay may not be used for the primary purpose of seeking or assuming other employment. The Board has the authority to review each leave without pay currently in progress. If the Board determines that the leave without pay has been misrepresented or substantially changed, the Board may take such disciplinary action as deemed appropriate under the circumstances including, but not limited to, revocation of the leave or termination of employment.
5. In the case of ill certified employees who have used all accrued leave and leave granted by the SLBC, a leave without pay may be granted upon submission of a written request to the Superintendent for the leave. The Superintendent shall review each request for possible recommendation to the Board. Those on medical leave without pay receiving Workers' Compensation shall be subject to rights set out in Workers' Compensation statutes in effect at that time.
6. Assignment to the same position held when the leave without pay was granted shall not be guaranteed, as reassignment shall be made by the

Superintendent based upon the needs of the District. The certified employee may submit a written request to the Superintendent stating the certified employee's preferred reassignment. The Superintendent will consider the request. Where leave without pay has been taken by the certified employee for professional development relevant to his/her current position, a reasonable attempt will be made to place the certified employee in his/her previous position.

7. Should a reduction in force become necessary during the contract year, a certified employee on a leave without pay shall be subject to the same selection criteria as established by Article XI of this Agreement - Reduction in Force / Recall.
8. Service credit and fringe benefits do not accrue during leaves without pay. Insurance benefits shall continue during a medical leave without pay for a period of one year with the District paying its share of the premium. The certified employee must submit a monthly payment for his/her share of the premium.
9. A written request for a leave without pay should be submitted to the Superintendent by February 1 of the year preceding the leave except in the case of extenuating circumstances. A certified employee on leave must give written notice of the intent to return or not return to work by February 1 of the year of the leave.

Certified employees who are called to active duty during the contract year in the United States armed forces shall be given fifteen additional days leave with pay per federal fiscal year. All additional days the certified employee is absent from work will be leave without pay.

H. Judicial Leave

Certified employees summoned for jury duty or subpoenaed to testify as a witness in a court case, to which the certified employee is not a party, will be granted leave with pay.

Article IX – EVALUATIONS

A. Goals

1. The evaluation process shall be a positive and constructive tool for the purpose of continuing to improve certified employee effectiveness by emphasizing strengths and working constructively with weaknesses to enhance the individual's professional performance.
2. Evaluation of certified employees is the responsibility of the site administrator. Certified employees assigned to more than one school will have a primary evaluator. The supervisor will be determined by the administrators involved or the Director of Human Resources. Input from the certified employee will be considered.

B. Evaluation Cycles

1. All certified employees will be evaluated yearly and are required to have at least one formal observation each year. A formal observation is one that is scheduled jointly by the teacher and the supervisor and for which there is a pre-observation conference and a post-observation conference that will be

- held as soon as reasonably possible. There may be as many informal observations as the supervisor deems necessary in order to fairly and completely evaluate a certified employee. An informal evaluation does not have to be scheduled but will be documented and that documentation will be given to the employee as soon as reasonably possible after the observation.
2. By the 10th day of the school year, all certified employees will be notified by their supervisor of their status on the evaluation cycle for the current school year. This evaluation process includes summative and progressive cycles.
 3. All Level 1 Certified Employees:

A summative evaluation will be made of all Level 1 certified employees. Level 1 certified employees will remain on summative status until the employee has moved to Level 2. The summative evaluation will consist of:

 - a minimum of one formal observation each year
 - multiple forms of data collection
 - the development of a Professional Development Plan (PDP) due on the 40th day of the school year (The PDP will reflect the use of all competencies approved by the NM Public Education Department.)
 - a final evaluation conference held by the 2nd Friday in April
 4. All Level 2 and Level 3 Certified Employees New to the District:

A summative evaluation will be made of all Level 2 and Level 3 certified employees hired by the District that year. The summative evaluation for newly hired Level 2 and Level 3 certified employees will consist of:

 - a minimum of one formal observation each year
 - multiple forms of data collection
 - the development of a Professional Development Plan (PDP) due on the 40th day of the school year. (The PDP will reflect the use of all competencies approved by the NM Public Education Department.)
 - a final evaluation conference held by the 2nd Friday in April
 - Level 2 and Level 3 certified employees new to the District will remain on summative status until the supervisor informs the certified employee of movement to the progressive cycle. The supervisor will inform the employee and the Director of Human Resources in writing of this change at the completion of the evaluation conference with that employee. The certified employee will qualify for paragraph 5 below.
 5. All Returning Level 2 and Level 3 Certified Employees:

Level 2 and Level 3 certified employees will be placed on the progressive cycle for two years following the summative year. The progressive and summative evaluations will consist of:

 - one formal observation each year
 - informal evaluations and walk-through as deemed necessary by the supervisor
 - multiple forms of data collection
 - development of a Professional Development Plan (PDP) due on the 40th day of the school year. (The PDP will reflect the use of one or more competencies approved by the NM Public Education Department.) Multi-year PDPs may be developed and submitted provided prior approval has been obtained from the supervisor.
 - all competencies must be addressed within the 3 year cycle
 - a final evaluation conference held by the 2nd Friday in April
 6. All Level 1, Level 2, and Level 3 certified employees must complete and submit a Reflection form of their PDP to their supervisor prior to the final

evaluation conference. The supervisor and the certified employee will agree on the date and time for the final conference.

C. Evaluation Process

1. The Professional Development Plan may be developed collaboratively by the certified employee and the supervisor. The plan must identify one or more measurable objectives. All competencies do not have to be addressed every year by tenured certified employees. The PDP may include multi-year measurable objectives and a plan to annually review the progress toward meeting measurable objectives. The results of the annual evaluation will be documented on the summative evaluation.
2. All data gathering will be conducted openly and with full knowledge of the certified employee. The supervisor maintains the right to keep the source of information confidential. Non-observed information may be included in the certified employee's evaluation if the information is substantiated and the teacher was told about the information as soon as practicable. A teacher may request and receive an additional formal observation by the Director of Human Resources or designee. The documentation of all observations shall be signed by the supervisor and copies shall be given to the certified employee. The certified employee's signature shall only acknowledge receipt of the document and not necessarily agreement with the contents.
3. During the final evaluation conference, the supervisor and the certified employee shall review, complete, and sign the evaluation. The certified employee shall have the opportunity to provide written comments and attach them to the evaluation, which is kept in the employee's personnel file. A copy shall be provided to the certified employee and the original will be submitted to the Office of Human Resources for inclusion in the certified employee's personnel file. The certified employee's signature shall only acknowledge receipt of the document and not necessarily agreement with the contents.

D. Professional Growth Plan (PGP)

1. If a certified employee exhibits unsatisfactory work performance after informal remedial action has failed to correct the issue to the supervisor's satisfaction, the following procedure shall apply:

The supervisor will discuss with the certified employee any unsatisfactory performance and the changes necessary to improve. At this time, work will cease on the Professional Development Plan and the focus will be on the area or areas of concern. A Professional Growth Plan will be developed to include the following:

 - indicators of the unsatisfactory work performance
 - the expected improvement
 - a timeline developed to allow for the improvement to occur
 - resources that will be provided to assist in the work performance
2. At the end of the timeline developed in the PGP, a meeting will be held between the supervisor and the certified employee to review the required work performance. If all goals have been met, the certified employee and the supervisor will sign and date the Professional Growth Plan and a copy will be given to the certified employee and the original will be placed in the employee's personnel file in the Human Resources office.

3. If, at the end of the timeline developed on the Professional Growth Plan, a certified employee has not demonstrated essential competency based on the expected improvement, the supervisor will make a written recommendation to the Director of Human Resources to initiate a meeting with the certified employee to discuss possible employment consequences including, but not limited to disciplinary action such as termination.

E. Contents of Evaluation

1. The content of any evaluation is not grievable. Only procedural errors and inaccurate statements are subject to the grievance procedure. In every evaluation a rating of "1" will be given when the certified employee is not demonstrating minimum professional competencies after the District has complied fully with all provisions of Article IX.

F. Personnel File Procedures

1. The District shall maintain personnel information in accordance with the Records Retention Act. The following types of information will be collected and maintained by the District:
 - application and resume
 - education and training
 - experience and verification of employment
 - payroll
 - insurance
 - performance
 - medical
 - safety and Workers Compensation

The employee personnel file kept in the Office of Human Resources will be the location in which information regarding evaluations, hiring recommendations, professional development plans, reprimands, or documentation of adverse job actions will be maintained.
2. A certified employee shall be permitted to examine and/or to obtain copies of materials in his/her personnel file. The certified employee may be accompanied by a representative if desired. Upon written authorization, said rights shall be granted to a certified employee's representative. An appointment must be made in advance with the Director of Human Resources prior to a certified employee examining his/her personnel file. Such an appointment will be scheduled within 10 working days of the request at a mutually agreed upon time. Pre-employment references and references related to internal transfers will not be subject to inspection by the certified employee.
3. Documents other than those listed above will not be placed in a certified employee's personnel file unless a copy of the document has been given to the certified employee. The certified employee has the right to have a response in writing attached to anything placed in his/her file. No anonymous or unsigned information may be placed in any certified employee's file.
4. Site administrators retain the right to maintain working files.

ARTICLE X - REASSIGNMENTS

A. Voluntary Reassignment

1. When a vacancy is created at a site, the site staff will have the first opportunity to be considered for that opening. Once changes occur within the site from staff, the site administrator will contact Human Resources of the official opening.
2. All District-wide vacancies will be posted on Wednesday by 4:00 pm. This frees staff from having to continually check for updates.
3. You must be Highly Qualified as per P. E. D. requirements and possess the correct endorsement in order to be considered.
4. Staff are required to submit a Voluntary Reassignment (transfer) Application Form for each position that is posted. If there is more than one opening at the site, you can list them on the same form. Forms are available at each site. Staff will have 5 (five) working days from the posting date to submit the request to Human Resources in order to be scheduled to interview for that position. Once the vacancy has been posted for 6 (six) or more work days staff can still apply but are not guaranteed an interview.
5. It is the responsibility of each staff member to check the District web page for current postings during the summer. Open positions posted between July 1 and September 1 will only be filled by outside applicants because the school's staff integrity is already set.
6. Any employee can apply for any position that is posted at any time. If the requirements are not met as stated above there are no guarantees of consideration.
7. Modifications to this procedure may be made with the agreement of Administration and the Union.
8. The superintendent maintains the right to administratively reassign an employee at any time.

B. Administrative Reassignment

1. The Superintendent may reassign certified employees to maintain efficient and well-balanced faculties (relative to training, experience, and background) to meet the needs of the District. Notice of any administrative reassignment shall be given as soon as possible.
2. Prior to the selection of an administrative reassignment, certified employees will be encouraged to volunteer for transfer. In the absence of volunteers with the necessary qualifications for the positions available, seniority in the District among qualified employees, as defined in Article X-B-1, will control, with the least senior person being selected for transfer.
6. The Superintendent may reassign a certified employee if his/her performance impedes the instructional program. In which case, the criteria in Article X-B-1 and 2 do not apply.

ARTICLE XI - REDUCTION IN FORCE/RECALL

A. Initiating a RIF

1. The District may initiate a Reduction in Force when one or more of the following circumstances are present:

- a. a substantial decrease in pupil population within the school district
 - b. a substantial reduction in operating revenues
 - c. a substantial decrease in the enrollment in a specific grade level or program area or the elimination of a program
 - d. the return of a certified employee from a leave of absence
 - e. the enactment of laws or court decisions that directly affect staffing and are beyond the immediate control of the Board.
2. Should any of these circumstances be reversed, the District may initiate recall procedures.

B. Reduction in Force

- 1. The Superintendent shall determine the number and type of positions to be affected by the RIF.
- 2. Prior to initiating a RIF, the Superintendent will attempt to absorb the necessary reductions through attrition and the non-renewal of contracts for non-tenured certified employees. The Superintendent will notify the Federation as soon as possible after determining that a RIF is needed and will meet and confer at the request of the Federation regarding options which may ameliorate or eliminate the RIF.
- 3. In the event of a RIF, the District and Federation will jointly determine the possibility of any increase in the deferred sick leave reimbursement or other voluntary separation inducement.
- 4. For any tenured teacher, the District must prove that there is no other position for which the teacher is qualified consistent with the academic necessities of the District before that teacher may be terminated or discharged through a RIF.
- 5. If more than one certified employee is licensed and qualified for a position affected by a RIF, the least senior certified employee will be selected for the layoff. "Qualified" as used in this context will be defined as having at least one year of satisfactory prior experience in the area of endorsement. If a certified employee is experienced within an endorsement area prior to employment with the District, the certified employee will be required to provide evidence of satisfactory experience in the form of a formal district evaluation from the previous district or acceptable alternative.
- 6. Seniority and the employment relationship shall be terminated if the certified employee:
 - a. is discharged or terminated
 - b. resigns
 - c. fails to report for work without a valid reason approved by the Director of Human Resources within five working days after termination of a leave of absence
 - d. retires.

Additional seniority and other benefits do not accrue during any period of layoff. However, seniority status, salary schedule placement, and leave available at the time of a RIF will be returned to employees who are recalled after a RIF within the recall period. In the event that a certified

employee is re-hired after having resigned, all previous seniority will be credited upon successful completion of the third contract year.

7. A certified employee may grieve the misapplication of the RIF process by filing a written grievance with the Superintendent within 10 working days after receiving the final written notice of the RIF. The grievance will enter the grievance procedure at Level 2.
8. To layoff qualified teachers during a school year pursuant to a RIF, the District has to show not just projected financial burdens in the future, but that it cannot survive financially for the present year, which is already underway.

C. Recall

1. The Board shall determine the number and types of positions to be affected by the recall.
2. For a period of two years after the effective date of the termination due to a RIF, a tenured certified employee who is licensed and qualified will be eligible for recall based on seniority. If the position is for less than half time, the certified employee may decline the position without forfeiting future recall rights.
3. The District will post any positions open for recall of RIF'd certified employees at all sites. Simultaneously, a notification of this posting will be published in the local newspaper for 10 days. It is the sole responsibility of the certified employee to learn of such opening and notify the District within 15 working days of the original posting of willingness to be re-employed.
4. In the event that more than one person who was terminated due to a RIF qualified for the position to which a person will be recalled, the most senior person will be offered the position.

ARTICLE XII – INVESTIGATIVE AND DISCIPLINARY ACTIONS OF LICENSED EMPLOYEES

A. Union Representation

1. An investigative interview occurs when a supervisor questions a certified employee to obtain information that could be used as the basis for disciplinary action against the employee. The supervisor must tell the employee that it is an investigative interview and the reason for it. The employee has the right to be accompanied by the Union's designated representative during the investigative interview. The supervisor may inform the employee that s/he may or may not choose to have representation. The supervisor has no obligation to inform the employee of his/her right to request representation. The certified employee's signature shall only acknowledge receipt of the document and not necessarily agreement with the contents. It is the responsibility of the certified employee to send a copy to the union president.
2. A certified employee may be suspended with pay until a determination is made on whether a disciplinary action will be issued.

C. Termination Notification

1. Termination notice will be conducted in accordance with to Section 22-10-12 New Mexico Statutes Annotated, 1978 and Public Education Department Regulation No. 75.7, amendment #1. The fourteen (14) day notice is only applicable to tenured certified employees. Upon receipt of written notice of termination, the certified employee may request an interview with the Director of Human Resources or the Director's designee.
