## PRESS RELEASE

For Immediate Release

### County Council Approves Ordinance for Land Transfer to LAPS

On Tuesday, August 27th, the Los Alamos County Council unanimously voted to approve an ordinance for the transfer of 2.02 acres of land to the Los Alamos Public Schools.

This change will improve:

1. Student and staff safety
2. Coordination with UNM-LA and the Los Alamos community
3. Options for construction of a new Field House at Sullivan Field

The new ordinance was published Aug. 29. After that, Los Alamos County will prepare the deed, which will be presented to the Los Alamos School Board for review and acceptance on Oct. 15.

The vendors who conduct business at this location on the weekends will continue to do so; the only change is that permits will be issued through LAPS. Weekend parking for events and transportation to Pajarito mountain will still be available.

For any comments or feedback, please contact Superintendent Kurt Steinhaus at 663-2230.
