LAPS Recognized Among 2020 Best School Districts in New Mexico

Los Alamos Public Schools was recently ranked [#1 in Best School Districts in New Mexico](#) by Niche.

Niche's 2020 Best School Districts ranking is based on analysis of key statistics and millions of reviews from students and parents using data from the U.S. Department of Education.

Ranking factors include state test scores, college readiness, graduation rates, SAT and ACT scores, teacher quality, public school district ratings and more.

Read more on how this ranking was calculated and see the full list of 2020 rankings, methodologies and data sources over at <https://www.niche.com/>.

Niche is a website that analyzes public data to assess and highlight key aspects of K-12 schools, colleges and places to live.
