

Hey kids!

You're invited to an after-school

Good News Club!

Once a week from right after school until 5 PM

It's FREE!

Good News Club® is a ministry of *Child Evangelism Fellowship* in which trained teachers meet with groups of children in schools, homes, community centers, churches, apartment complexes, just about anywhere the children can easily and safely meet with their parent's permission. Each week the teacher presents an exciting Bible lesson using colorful materials from [CEF Press](#). This action-packed time also includes songs, Scripture memory, a missions story and review games or other activities focused on the lesson's theme. This fun, weekly after-school activity promotes children's educational, spiritual and character development. *It is entirely free and voluntary.*
